

Mayuri Hights

Welcome to the high life!

"Mayuri Hights" the place that invites you for a true high life experience. Promoted by the expertise and experience of Raaga Builders, the name synonymous with some of the finest independent residential home projects, Mayuri Hights is a project that will redefine the concept of apartment living.

The masterly crafted edifice reflects an exquisitely designed elevation, behind which you can experience a well laid out architectural plan that emphasise an optimum space utilisation and ventilation. Located at one of the fine location opposite to King Market, in the vicinity of commercial area, old bus stand and educational institutions.

The block has welcoming tot-lot areas and fountain at the entrance. All the units are serviced by two staircases and two lifts. To choose on this high experience are 13 different units on each floor, each comprising a two or three bed room area.

Come experience the joy of high life at Mayuri Hights!

Expect the best from us

The journey of success through commitment started from year 1999. In our past years, we received tremendous support and all our projects achieved tremendous success. Raaga Builders have thus become a stamp of customer satisfaction, and every client of Raaga is a distinguished member of this happy success story.

When we started we had only enthusiasm, sincerity and commitment to show. Today we are empowered by the scores of satisfied customers who now form a part of extended family of Raaga Builders.
